(a) whether the Central Government provide sugar quota to the State on the basis of population;

(b) whether the quota provided to Madhya Pradesh is on the basis of population of 1986 (5.1 crores);

(e) if so, whether the Government of M.P. has been urging the centre to raise the quota to meet the demands for increased population of Madhya Pradesh; and

(f) by what time Government is considering to raise the sugar quota of Madhya Pradesh?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI): (a) and (b) Under the present policy of partial control, monthly allocations of levy sugar to most of the States/Union Territories are being made on uniform norms of ensuring 425 kms. per capita monthly availability for the projected population as on 1-10-1986. These norms are effective from 1-2-1987. Accordingly, about 3.35 lakh tonnes of levy sugar is being allocated on a monthly basis for distribution under the Public Distribution System for the entire country. In addition to the above, Government releases about one lakh tonnes of levy-sugar per annum as festival quota, which is allocated to the States|Union Territories in proportion to their monthly allocations. On the above basis, the levy sugar allocation for Madhya Pradesh (for 5.89 crores population as on 1-10-1986) is as under:—

(i) Monthly quata	25031	MTs.
(ii) Festival quota	7536	MTs.

(c) The population of Madhya Pradesh has been projected at 6.50 crores as on 1-10-1991.

(d) The Government has not increased the levy sugar quota of Madhya Pradesh on the basis of increase in population due to limited availability of levy sugar. However, Government had allowed 5 per cent ad-hoc increase in the monthly allocations of all States|Union Territories from August, 1991 in view of the then increased availability of sugar. The share of Madhya Pradesh was 1252 Metric Tonnes. This 5 per cent ad-hoc increase of all States|Union Territories has been withdrawn from April, 1994 due to limited availability of levy sugar and also due to fall in production of sugar in 1992-93 and 1993-94 sugar season.

(e) In the recent past no demand has been received from Madhya Pradesh Government to enhance the levy sugar quota.

(f) In view of the limited availability of levy sugar, it will not be possible at present to increase the levy sugar allocations to provide for the population increase between 1986 and 1991.
